MEMBER INTERVIEW

Lorna
East TAG
member.

Why did you join the TAG?

At the time I wanted to know how everything worked in housing.

What advice can you give other members who might be anxious or nervous in this uncertain time?

Go out and wear a mask. Wear a mask to the shops, the bank, to the post office, to church, when catching the bus or train. I wear masks and since I started, it has made me feel less anxious and less nervous.

What are you looking forward to in the future?

I'm looking forward to catching the train to visit my sister in the Gold Coast. I haven't seen her since February.

Bridge Housing Goulburn St and Brookvale offices are still open however tenants are encouraged to contact staff over the phone.
