

ORBIT! ONLINE AMBER'S STORY - MAX AND SAMII IN THE WEB

Hmmmm where am I? Max thought to himself. Samii thought the exact same thing.

"Ahh!! Spider!!!" Max screamed (Max is scared of spiders)

"Wait what was that?" Samii said. "Who else is here in the web? I thought I was the only person in the web. Hi young sir I'm Samii, who are you?"

"I'm Max, nice to meet you Samii!"

"How did you get in to the web Max?" asked Samii.

"I really don't know but I ended up here so I am here now. How did you get here Samii?" Max asked.

"Same story, I don't know how I ended up here..." Sami said.
